

The skype call has ended  
They are going to a parade about Dr. Sues  
We are further explaining the jobs, and  
showing them our teacher  
We are showing them the front of our school  
and showing them our class  
We are showing them out our window to  
show the weather  
We are telling them about hurricanes, and  
how destructive the hurricanes can be  
They are asking about if we ever have any  
hurricanes recently  
They get hail  
Tornados can get very close  
It snowed 2 weeks ago over there  
Their favorite subjects are, reading, science,  
and math.  
They asked us if we have any tsunamis  
It is 75 degrees there  
We are introducing Zarra, and she is asking  
what their favorite books are  
Their favorite book is the Dr. Sues  
They live in Austin, Texas
